

Columbia County Corvette Club

MARCH 2008

Hi Folks:

Just a reminder to E-mail or call Doug or myself on your menu selections for the upcoming Annual meeting on April 5th.

We also need people to get involved and sign up for the event runs that were put out. Pat can get you signed up and if there are any questions or need a little help or co-sponsor let any of the officers know and we can get you going.

Lastly, please take a moment and visit our newly renovated website that Doug and Greg have worked hard on. It's great! Get out those cameras and get those cars and smiley faces on there. Doug has enclosed helpful instructions. Get in contact with him if you have difficulty.

Thanks, Doug and Greg, this is exciting!

See you at the meeting,

Earl

Mark your calendars for **April 5th** to join us for our **Annual meeting**. It's going to be held at **Dino's in Portage**. If you can picture looking at Wal-Mart from the K-mart parking lot, it is too the left in the same block right at the stoplights (see the map).

Social hour will begin at 6:00 and dinner at 7:00. The meeting will follow.

We will have a choice of the following:

Filet of Mignon ~ (8oz), served with au-jus and mushroom caps for \$14.95

Stuffed Breast of chicken ~ (8 oz), Sage dressing stuffing with cream sauce over rice for \$11.95

Broiled Salmon ~ (8 oz) for \$14.95

All dinners will include a dinner salad, California mixed vegetables with green beans, buttered red potatoes and for dessert, chocolate mousse. (YUM!)

There will be a cash bar that as all drinks will need to be paid for as they will not be added to your bill. Gratuities are not included.

We need to give Dino's a count of how many will be attending so we will need a response on what your menu selection will be by March 25th please. You can call Doug or Earl, E-mail either of us at our numbers and addresses below.

Maybe we'll see a few Vettes there.

Website Changes

Hats off to our clubs web designer Greg VanBlaricom. He has and is making some exciting changes to our website. The most recent changes are that of the Photo Gallery and Blog Page. This is all new to the club website and looks to be something that people can get involved in as much or as little as they would like. Please take some time to check out the CCCC website <http://www.columbiactyrcorvetteclub.org/> and keep in mind that this is a work in process. We ask for your patience, we realize that some things like the members list that needs to be updated and we are working on it. I hope that everyone tries to set themselves up a login and password. After that you will be able to post photos and join in on the conversation in the blog page. Feel free to contact me if you have any problems getting set up. I'll post a link to an instructional 4 page PDF that may help you through the process of setting up your login.
